Between 1998 and 2001 Rodney held a number of roles with GE Capital Finance and ANZ Financial Planning before establishing ROPAN Financial Planning Group with Jason Panozzo-Tile'. ROPAN opened in 2001 and has since proven to be a tremendous vehicle for providing investment and advisory services.

Rodney is sought out to strategise and advise business owners on how to maximise their personal wealth and business positions. He has a particular interest in the 'natural law' elements of business and succession planning.
